NOVA SCOTIA

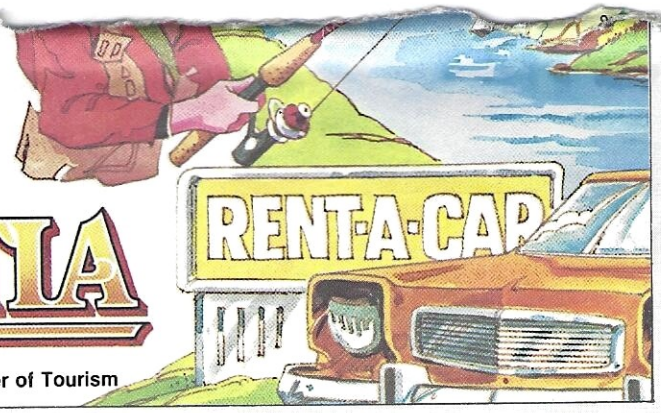
Published by the authority of Honorable Bruce Cochran, Mini ster of Tourism



Travelways

We're proud of our 100 series highways. We built them for many reasons: commerce, getting from A to B, moving quickly.

But for the real Nova Scotia, and accommodations, restaurants, historic sites, beautiful views and festivals, motorists should avoid the super highways. Join us on our trails for a vacation as rich and as varied as our scenery and our history.

We have divided Nova Scotia into nine, easy-to-follow vacation trails.

These trails are carefully marked and follow the province's most scenic roads.

At the centre of it all is our capital — an adventure in itself.

Before you begin your Nova Scotia Holiday, stop in at one of our Tourist Centres, and get acquainted with our province.

For information to take with you on your visit, the Provincial tourist bureaus are easy to find at every entrance to Nova Scotia, land or sea. Local information and assistance is also readily available at any one of the many municipal bureaus you will find as you make your way through the towns and communities of Nova Scotia.

Tourist Centres: There's one at the Amherst border crossing, one when you get off the ferry in Yarmouth, and one located on Route 102 at the Airport exit. In addition to providing tourist information these centres break down the province into seven geographic areas, telling the story of each in pictures, artifacts and audio-visual presentations. Be sure to stop at our Decision Point Bureau in Antigonish for helpful decision-making information.

Tourist Bureaus: Whether you're coming by Amherst, Pictou, Wood Islands, P.E.I., Digby, Yarmouth, North Sydney; entering Cape Breton Island by the Causeway from mainland Nova Scotia, or in Halifax, our tourist counsellors are waiting to give you a hand in planning your visit. They will give you brochures to take with you, answers to your questions; help you find a place to eat or sleep, and tell you what's going on in the province and when.

We Have

Divers are required to report any underwater artifacts to the Receiver of Wrecks and the Director of the Nova Scotia Museum, Summer Street, Halifax, N.S.

The Ceilidh Trail
The Ceilidh Trail which follows the north-western shoreline of Cape Breton Island, takes you on a wonderful tour beside the waters of Northumberland Strait. Settled first by Scots who have greatly influenced the lifestyle of this area, the countryside yet retains much of the influence of a race far from home.

The Cabot Trail
Visitors say that the peaks, valleys and coastline along the Cabot Trail make it one of the most spectacular scenic drives anywhere.

The Fleur-de-lis Trail
Acadian villages, fishing communities and weatherbeaten coastline lead the way to the famous St. Peter's Canal, a beautiful entrance into the Bras d'Or Lakes.

Halifax Citadel National Park. This hilltop fortress was built in 1828 on the site of three previous citadels dating to 1749. Although never attacked, the Citadel fortifications formed the major element in the Halifax Defence Complex — the bastion of British Imperial control in North America.

Some of its unique features include the musketry gallery, the view of the Halifax Harbour and the other defences and the fact that it was designed to house, feed and arm an entire garrison.

Guided tours in both official languages, free of charge and available on request. A 50-minute sight and sound theatre presentation on the history of Halifax and its defences. An exhibit on how the Citadel is being restored. An exhibit on powder magazines and gunpowder. A detention cell reproduced to appearance circa 1850.

Boat Cruises

Relax and enjoy a 2-hour cruise on our 194 passenger water cruiser, Haligonian III. You can have a snack and a drink at our licensed bar while our commentator describes Halifax — the old and the new. Charters can be arranged. If you are organizing a convention, offer your group the opportunity to socialize and view our cities from the water, a unique experience. Telephone: 423-7783 or 425-7414.

The most fascinating boat tour here, or probably anywhere, is on the schooner Bluenose II, berthed at Privateer's Wharf in Historic Properties, an exciting redevelopment on the Halifax Waterfront. The original Bluenose was built in Lunenburg, Nova Scotia in 1921 to challenge for the International Fisherman's Trophy, won the previous year by an American schooner. From her first race to her last, the Bluenose kept the cup in Canada for 20 years. She was a legend in her own time. Now her legend lives on in Bluenose II, rebuilt to the original plans. Sailing daily through July and August.
